What are Sensory-Friendly Classes?

Designed for children who benefit from smaller class sizes, predictable routines, and extra encouragement, our Sensory-Friendly Lil' Kickers classes provide a supportive environment where every child can learn, grow, and have fun. With a maximum of 6 children per class, kids receive individualized attention while enjoying the same Lil' Kickers curriculum families know and love-just in a calmer setting with additional support and flexibility.

What should my child wear?

Participants should wear comfortable shoes or cleats. You do not need shin guards (optionally) for Micro Classes. Lil' Kickers Promo Tops are given to first-time customers for free and are available for purchase after that. Outfitting your child in Lil' Kickers/Skills Institute garb is a fun way to make your child feel a part of the team. Kids naturally appreciate looking like older uniformed kids and role models.

How long are your sessions?

We offer four sessions a year (Fall, Winter, Spring, Summer)

Can I join in the middle of the session?

Yes! We offer open enrollment so that you can join anytime and have your class fees prorated, meaning that you pay only for the remaining classes and not the full session fee.

What is your make-up policy?

Make-up classes can be done online (up to 3 per session), based on availability, and you must reschedule within the current session. We will do our very best to accommodate your requests. If you have multiple children, please schedule a make-up class for each.

How long is each class?

Each of our classes lasts 50 minutes with a water break halfway through, so be prepared with a water bottle.
Between classes, there is a 10-minute break.

How is Lil' Kickers different than other programs?

While many soccer programs use traditional soccer drills to teach soccer fundamentals, Lil' Kickers uses a child-centered perspective and makes learning fun for kids. Our coaching methodology uses special techniques designed around how kids naturally learn, building social, emotional and conscientious individuals on and off the soccer field.
